

COVID-19 PPE Request Protocol

Health Care Providers:

1. Health Care provider should submit request to Regional Health Care Preparedness Coordinator (RHPC).
2. RHPC will submit request to the Health Care Coalitions Task Force/Center.
3. Health Care Coalitions Task Force will vet, prioritize, and submit request to the State Emergency Operations Center (SEOC) via WebEOC Resource Request/Task Assignment Board.
4. SEOC Unified Command, at the direction of Minnesota Department of Health (MDH), will prioritize and fill requests as appropriate.

Ambulance Providers:

1. Ambulance provider should submit request to the Minnesota Emergency Medical Services Regulatory Board (EMSRB) through Regional Coordinator.
2. EMSRB Regional Coordinator will submit request to the EMSRB Executive Board.
3. EMSRB Executive Board will vet, prioritize, and submit request to the State Emergency Operations Center (SEOC) via WebEOC Resource Request/Task Assignment Board.
4. SEOC Unified Command, at the direction of Minnesota Department of Health (MDH), will prioritize and fill requests as appropriate.

Medical First Response Outside of Ambulance Services:

1. Medical First Response Outside of Ambulance Services should submit request to their respective jurisdictional emergency manager.
2. Emergency manager will vet, prioritize, and submit request to the State Emergency Operations Center (SEOC) via WebEOC Resource Request/Task Assignment Board.
3. SEOC Unified Command, at the direction of Minnesota Department of Health (MDH), will prioritize and fill requests as appropriate.

State Agencies:

1. State Agencies should submit request in WebEOC through their Emergency Preparedness Response Committee (EPRC) Member.
2. EPRC Member will vet, prioritize, and submit request to the State Emergency Operations Center (SEOC) via WebEOC Resource Request/Task Assignment Board.
3. SEOC Unified Command, at the direction of Minnesota Department of Health (MDH), will prioritize and fill requests as appropriate.
