Membership

MSFCA Membership

Please fill out only one section: blue or gold. Then complete the payment details at the bottom of page B. All this can be done online through msfca.org, or by returning this completed document to the office. Remember, by choosing to pay the additional fee (\$10) for joining **NSWFA** (North Star Women's Firefighter Association), a Section of MSFCA, you are supporting their specific mission and focus. Those dues are designated for their use next year.

DEPARTMENT MEMBERSHIP

The primary benefit of a Department Membership is the ability to have unlimited E-Members. They would receive all electronic promotion including the E-Newsletter and access to the website, but do NOT accrue years of service or the mailed Magazine. For members to accrue years of service (and receive a mailed copy of the magazine), additional voting or non-voting members may be added at \$60 each.
