The Fire Department

The Owatonna Fire Department is a combination fire department that maintains a state of readiness 24 hours a day, 7 days a week. This is accomplished by the dedication of our firefighters, along with the willingness of their families and employers to leave at a moment's notice when called. Our firefighters are prepared because of the pride and enthusiasm they show in ongoing training for emergency response.

In addition to responding to emergencies, our firefighters conduct fire code inspections to help property owners eliminate unsafe conditions in their buildings. They also provide public education opportunities to our community throughout the year to prevent fires before they happen.

OWATONNA FAST FACTS
